

ACBC 2024-2025 MEMBERSHIP REGISTRATION FORM

The Alaska Cheer Booster Club is a non-profit 501(c)(3) organization that supports and promotes Alaska Athletics' competitive cheerleaders. With the support and efforts of our members and their families, the ACBC strives to raise \$1000 or more per athlete each season, offsetting the high costs surrounding Nationals travel for our Alaskan-based athletes.

During the 2023-2024 season, ACBC members raised over **\$60,000** to cover competition costs.

Your support and contributions as a member are vital to our success. We **require** active members and participation in various areas. This includes fundraising through sales, sponsorships, donations, and volunteering opportunities each quarter beginning **mid-June** (season start) and continuing through **mid-May** (season end).

We look forward to welcoming you as a member of our 2024-2025 ACBC team and working toward another incredibly successful season!

Yearly membership dues - \$50 per athlete, \$85 per family

***Membership closes June 22, 2024**

Athlete Name(s): _____

Team(s): _____ **Level(s):** _____

Signature _____ **Date:** _____

RELEASE FORM

____ I agree to allow Alaska Athletics to share information with ACBC regarding my add/drop date, team placement, and contact information.

MEMBERSHIP AGREEMENT

____ I understand that member participation in fundraising is required to benefit from the booster club. Non-participation may result in my membership being revoked, and I will be ineligible for any funds from the booster club if removed.

____ I have the option to procure approximately \$500 in sponsors as an alternative to each sales-related fundraiser. This option can be a combination of partial sales and partial sponsors or all sponsors to be considered full participation. Non-participation in both sales and sponsors will result in removal.

____ It is my responsibility to stay up to date with ACBC fundraising opportunities and maintain active participation. I will stay connected to ACBC communication through Email, *Facebook, *Band, Signup Genius, team texts, the Executive Board, or Team Reps.

____ I understand the booster club attempts to raise an average of \$1000+ per member each season, and I will do my best to help reach that goal.

____ I understand all funds raised by ACBC members are equally distributed per member per competition - up to 2 competitions, and as a non-profit, there are no individual accounts.

____ I understand that the ACBC is a separate entity from Alaska Athletics, and all ACBC inquiries and funds will be directed to ACBC.

____ The booster club is optional to all athletes on an Alaska Athletics travel team. Membership is not mandatory.

***Band:** Once we receive your membership form and dues, you will be invited to your designated ACBC team Band group.
